Preparations

Let's Begin

Get Ready In Style

Begin your wedding day luxuriating in the Preparation Room. This relaxing, regal room forms part of our exquisite accommodation suite: The Farmhouse.

Be pampered and styled like true royalty; we only recommend the finest suppliers to make sure you feel the best version of yourself before you walk down the aisle.

The History

Abbey Barn and its surrounding areas hold much historical significance; the area's history, along with its remaining original architecture and features, will intrigue and impress your guests.

The venue's closest village, Barton Bendish, is a charming, shrunken medieval village with two 13th-14th century churches still remaining. The local landscape is a network of farms which have supported civilisations dating back to the Neolithic Era.

Abbey Barn itself has preserved its authentic courtyard formation along with a number of other facets including double-height ceilings in the existing barn. There are plenty of fascinating original features for you and your guests to enjoy and discuss.

Environmental Sustainability

Abbey Barn is situated amongst a network of agricultural land which is being restored to promote the highest standards of environmental sustainability. To enrich the biodiversity of the area, the land will be lush with fruit, nut and broadleaved trees whilst the growth of wildflowers and introduction of wild bird food will encourage and assist pollinators and the local bird population. The venue will not only offer beautiful views but also valuable reminders of the beauty and fragility of the world in which we live.

Ceremony

The 'I Do'

Say 'I Do'...

Abbey Barn offers two incredible areas to host your ceremony: The South Barn and The Courtyard Pavilion. Whether you wish to walk down the aisle in an elegant interior space, or tie the knot in the refreshing outdoors, the potential to customise these ceremony spaces is limitless and will ensure you are able to have the wedding you've always envisaged.

The South Barn

The South Barn is a tranquil, sophisticated setting for your ceremony and can seat up to 110 guests to witness you exchanging your vows. This room offers the ideal canvas to layer up your favourite colours and textures so your ceremony can stay true to you. You could book live musicians to accompany your service or you could play your most meaningful 'couple songs' through our speaker system.

The Courtyard Pavilion

Alternatively, you could choose to say your 'I Do's' in our Courtyard Pavilion, a stunning central feature of the courtyard. Decorate this incredible structure and its surrounding areas with sure-to-impress light, floral and ornamental arrangements to capture your ideal wedding aesthetic.

After The 'I Do's'

Following your ceremony, take some time as newlyweds to wander through the beautiful sprawling fields and capture those all-important couple shots. Once your photoshoot is complete, return to the Courtyard or The South Barn to enjoy drinks and canapés with your guests as they eagerly gush over your ceremony.
