The Barn can seat 150 guests for a sit-down meal and accommodate up to 150 guests for an evening reception.

Is Abbey Barn licensed to hold civil ceremonies?

Abbey Barn is fully licensed to hold civil ceremonies for up to 110 in The South Barn and Courtyard Pavilion. We charge an extra £120 for a civil ceremony and £180 for a duo ceremony.

What time can I get married at Abbey Barn?

Wedding ceremonies can take place from 2pm onwards if opting for a one-night package. For two-night packages, earlier ceremonies are possible. Please contact King's Lynn Registration Team on 0344 800 8020 or visit norfolk.sishost.co.uk/Agenda/OnlineBookings/Signup.aspx

Yes, chairs are provided inside but cannot be used outside. If you are having a duo ceremony, you will be required to hire outdoor chairs separately.

What about music during the ceremony?

Many couples book musicians to provide music during the ceremony, however you are more than welcome to use the sound system already in the ceremony room.

Will I have the same dedicated Wedding Coordinator throughout the planning process?

Every couple will have access to our planning team from the very beginning, so there will always be someone to help guide you with questions or ideas. Closer to your wedding date you will then be assigned your designated coordinator to ensure every last detail is managed on your big day!

Can we use any supplier?

Yes, of course. For any recommendations however, we do have a recommended supplier list. We require all suppliers' phone numbers and email addresses.

We will also need a copy of their public liability insurance before they can operate at Abbey Barn. Please note that this also applies to any food supplier.

If any supplier is using electrical equipment, PAT certificates must

be provided in advance. By making a booking at Abbey Barn, we assume that you agree to this condition.

Can we decorate the barn beams?

Yes. For insurance reasons, Epic Event hire is the only supplier that is allowed to go up to the black beam. If using another company, the lights and decor can only be hung from hooks on the beams and mezzanine.

What time can we access the venue for setting up?

From 11 am on the day of the wedding. It may be possible to have access the day before your wedding to set up, depending on whether or not a wedding is taking place on this date. Please check this with your Wedding coordinator four weeks before your wedding. If access the day before is not possible, we will set out your decorations at no extra cost. You will be able to access the barn the day before your wedding. If there is no wedding the day before, between 12 midday and 4 pm.

Is confetti allowed?

Natural or organic confetti such as dried flower petals is permitted.

Are fireworks allowed?

Out of consideration for our neighbours and local livestock we do not allow fireworks.

Are dogs allowed at Abbey Barn?

Yes! We can allow your dog to be on site at Abbey Barn for a short period of time, of 1 hour and 30 minutes. Your dog can go in the ceremony area and can join you in the grounds during your drinks reception. Your dog must be kept on a lead at all times and under no circumstances can your dog be permitted in the accommodation or any unauthorised buildings. Any dog excrement must be cleared up by a member of the wedding party. Once the photographs have taken place provisions must be in place for the immediate collection of the dog. We have a recommended supplier that you can use who can provide a drop off, pick up and overnight stay service for your dog. Oh Bella Wedding Day Dogs - ohbellaweddings.co.uk woof@ohbellaweddings.co.uk

What time does Abbey Barn Close?

Last orders are at 11:50 pm and the bar closes at midnight. Music should also finish at midnight. Please advise your guests to arrange their taxis or transportation in advance. To maintain high standards, and keep the Barn looking its very best, the team quietly begins the clearing up process just before midnight.

What about clearing up the next day? There is no need to worry about this; the wedding team will clear up everything and pack away your decorations so you can relax. Our on hand staff will arrange to meet you upon checkout to return your belongings.

Is outdoor light allowed to be put up around the venue?

Yes, only if agreed before and only done by our recommended supplier Epic Event Hire.

Can we put signs on the ground?

We cannot allow signs to be used in the grounds because of the irrigation system. This one needs to be separate as it links to previous question on the FAQs.

Unfortunately, we do not allow large coaches, as there is not enough room for them to turn around. We do allow mini buses. Guests can be dropped off in the car park where the mini bus can turn around.

I have a copy of an old menu/ catering brochure but would like a dish from the new menus, is that possible?

You can mix and match dishes from any of our brochures.

Can we bring our own caterers?

No. It is essential that we provide a consistently high standard of catering at Shotesham Park and therefore only allow our own in-house experienced chefs, who offer an exceptionally high level of service using quality locally-sourced ingredients.

What table layouts do you recommend?

There are a few different table plans that work well in the barn, which our planning team can advise you on. We do require you to fill out the table plan and to mark if anyone has any dietary requirements so the events team are able to locate them easily on the day.

When do I need to provide my pre-orders?

We require all pre-orders and your final table plan to be with us six weeks before your event. Your Wedding Coordinator will give you a blank table plan to fill in.

Can I bring my own alcohol?

You can only bring your own wine, prosecco or champagne however, there will be no reduction in cost of the package. If you would like more wine, prosecco or champagne on top of what we offer in the package, then you can bring this for a corkage charge of £9.50 per bottle. Alternatively, we have an extensive wine list at competitive prices which are available on sale or return. The only other exception is a cask of real ale, which our planning team can advise you on. You can also bring

one 50ml alcoholic favour per person.

Do you take cash and card payments at your bar?

We take cards only at our bars which include Apple Pay and Contactless. Cash is not accepted, please do advise your guests.

Should we provide our contractors with a meal?

We recommend you provide any of your contractors with a meal if they will be spending more than five hours at your wedding.

With the package, can we make any changes?

You can add extras to the package but cannot remove any items. You can only increase the amount of guests.

What is involved in the tasting event?

We believe that it is very important for you to sample the fantastic food from our menu before your big day. We hold a tasting event to give couples an understanding of service, food and presentation when catering at a large scale. Unfortunately, we cannot accommodate private one-on-one tastings as these do not accurately

reflect the whole experience that you would enjoy at your wedding. Unfortunately, we may not be able to offer you a tasting if your wedding is booked with less than 9 months to go. However, our head chef is available to speak with, if needed.

What is on the tasting event menu?

This is chosen a year in advance and it is our chef's choice from the standard menu and the upgrade menus. Please see more details of the event in our catering brochure.

What menu is available for children and what constitutes a child?

Children can either have a half portion main meal or choose from the children's menu.

What constitutes a child?

Anyone eating a smaller version of the meal or a children's dish.

Can I bring my own food to our wedding?

We do not allow you to bring any food on site for your wedding. This excludes your wedding cake, sweet table, and favours on place settings.
